Garage entrance

Entrance to the garage from **Kasprzaka 29** street.

The number of the space and the level on which the garage space is located will be sent in a separate message.

The remote control for the garage is located in the flat.

Entering the garage: press button A on the remote control at the level of the barrier.

Exiting the garage: the remote control is not needed, press the "up" button ⬆️ in the box by the exit gate.
